Setup - \$35.00 per order. If second side is different design, add an additional \$35.00 Price per unit.

Acrylic Key Tags Production Time 10 Working Days.

Rush Service Available, contact factory for shipping and additional charge.

- **Method of Printing:** (Digital) Full color and/or any number of imprint colors from supplied complete computer file or electronic pre-press worksheet. That means, no additional charges for full color imprinting.
- **Color Matching:** Exact PMS color matching is not guaranteed because colors are selected from the 4 color process side of the Pantone Process Color Imaging Guide. If exact color matching is required, call factory or use offset pricing. Metallics and fluorescent not available.
- **Artwork:** If artwork is required add \$50.00 per hour. Minimum 1 hour.
- **Imprint Area:** 1/4" less than tag size.
- **Spec Sample:** Digitally printed only \$35.00.
- **Rings:** Standard silver 24mm tempered split rings.
- **Packaging:** Bulk.
